

**Project title: STEAME TEACHER FACILITATORS ACADEMY**

Reference number: 101102619

Project Acronym: STEAME-ACADEMY

Implementation period: 1 June 2023 to 31 May 2026

Project site: [www.steame-academy.eu](http://www.steame-academy.eu)

Coordinating Organisation: University of the National Education Commission, Krakow, Poland

### **Opportunities and Expectations for new Associate Partners**

1. Associate partners can expand their professional network by connecting with other partners and stakeholders associated with the STEAME-ACADEMY project.
2. Associate partners are featured on the STEAME-ACADEMY website through the following link <https://steame-academy.eu/associate-partners/>.
3. Individuals from Associate Partner's organization have the option to subscribe to the project's newsletters by visiting the following link: <https://steame-academy.eu/>
4. On the project's website, they can access practical application materials from the projects that are considered to be the foundation of the STEAME-ACADEMY project (<https://steame-academy.eu/useful-links/>).
5. The project will establish the STEAME-ACADEMY Observatory platform, enabling Associate partners to enrol their organisation's co-workers/teachers as mentors for students aspiring to enhance their STEAME learning skills.
6. Associate partners have the opportunity to participate in Expert Focus Groups for the evaluation purposes, which may include validating learning outcomes and the Competence Framework, among others aspects.
7. They can participate in upcoming workshops with possible co-funding.
8. They are encouraged to join annual Symposiums and Conferences.
9. They can participate in upcoming online webinars.
10. They can become members of the European Federation of STEAME Teacher Academies.
11. Associate partners have the opportunity to be presenters in the STEAME-ACADEMY online webinars (<https://steame-academy.eu/steame-video/>).
12. Associate partners are expected to have some active roles in the project as follows:
  - Support the provision of feedback and piloting for Quality Assurance
  - Support STEAME Teachers Academies development in their region
  - Adapt the certification programme
