

STEAME Teacher Facilitators Academy OPEN INVITATION TO A WORKSHOP

5 April 2024, Porto, Portugal
www.steame-academy.eu

Venue: Instituto Superior de Engenharia do Porto, School of Engineering –
Polytechnic of Porto

The STEAME-Academy project is co-funded by the European Union to develop various innovations supporting STEAME Project-Based Learning Education. One of the key activities involves organizing workshops and roundtable discussions. **The inaugural workshop is scheduled for April 5, 2024, with limited availability.** Teachers or researchers interested in participating are encouraged to apply as soon as possible. **Co-funding is available** for participants traveling from at least 100 km away. This funding, based on actual costs, is capped at a **maximum of 150 euro.**

In addition to the financial support, the project will provide full-day catering for participants, including coffee, lunch, and dinner. The 150 euros can be utilized for travel expenses and/or accommodation, particularly for those who may need to stay overnight at a hotel.
