

# STEAME Teacher Facilitators Academy

## OPEN INVITATION TO A TWO-DAY EUROPEAN WORKSHOP

16 and 17 January 2025, Bucharest, Romania

[www.steame-academy.eu](http://www.steame-academy.eu)

Venue: Capital Plaza Hotel, Bucharest, Romania

The STEAME-Academy project is co-funded by the European Union to develop various innovations supporting STEAME Project-Based Learning Education. One of the key activities involves organising workshops and roundtable (RT) discussions. **The second European workshop is scheduled for the 16 and 17 of January 2025, with limited availability.** Teachers and researchers interested in participating are encouraged to apply as soon as possible. **Co-funding is available** for participants travelling from at least 100 km away. This funding, based on actual costs, is capped at a **maximum of 200 euros**. The co-funding for travel expenses will be determined by the event host in consultation with the project coordinator, taking into consideration the distance travelled (in kilometres) from the country of origin.

In addition to the financial support, the project will provide half-day catering for participants, including coffee and lunch, for both days of the workshop. The co-funding money can be utilised for travel expenses and/or accommodation, particularly for those who may need to stay overnight at a hotel. Proof of travel documents may be required to reserve participation. Co-funding payments will be made during or after the event with full participation.

The preliminary programme of the workshop and RT is indicated below:

### **Thursday, 16 January 2025**
